

Upali svjetlo

Za ovaj ćeš trik trebati dodatni list bijelog papira. Gledaj u žarulju 30 sekundi, a zatim pogledaj u bijeli papir. Upalit će se svjetlo i žarulja će zasvijetliti!

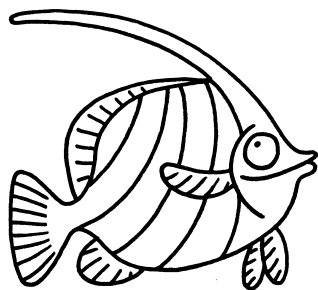

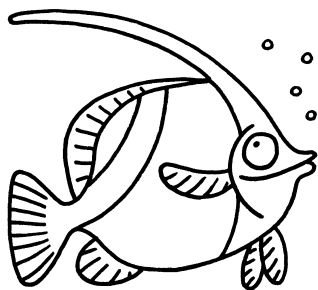

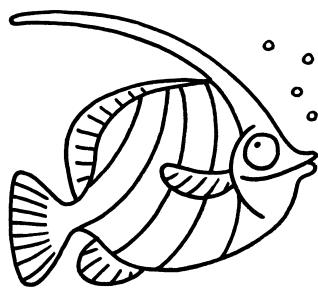

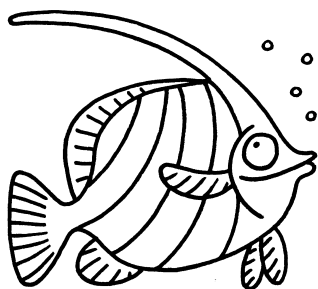

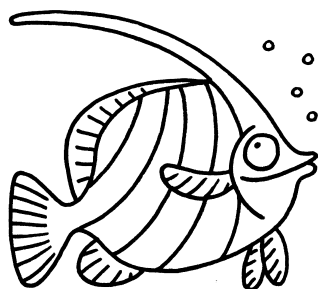

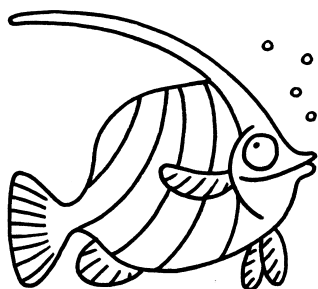

Ravnoteža

Jesu li krakovi blokova u ravnoteži? Izmjeri razmak među njima na dva mjesta. Iako ne izgleda tako, dva bloka su paralelna jedan s drugim.

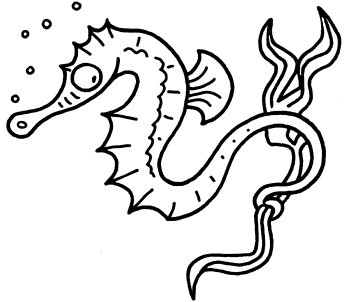

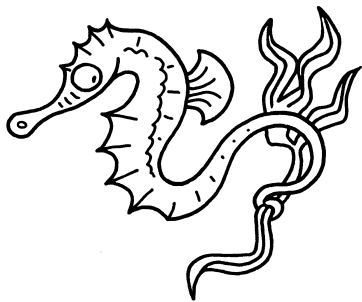

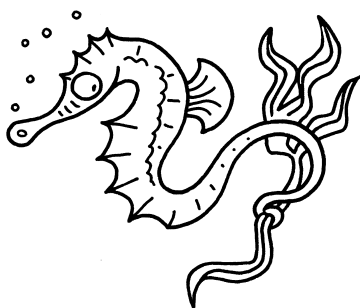

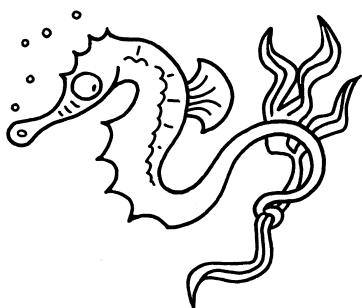

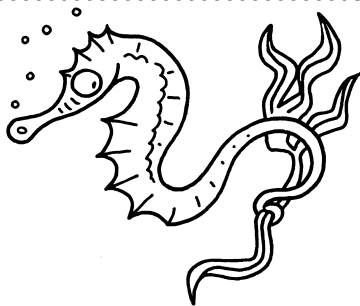

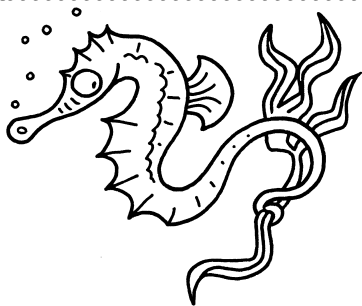

Nasmiješene ribe

Koje su dvije ribe potpuno jednake? Pažljivo ih pogledaj i nađi.

Morski konjici

Od ovih morskih konjica koji se odmaraju na algi, dva su jednaka. Možeš li reći koja dva?

Budimo u pokretu

U parku se svi bave nekim aktivnostima. Pronađi osam razlika između ovih dviju slika.
