

"Pogledaj, izgledam kao **stožac**.
Možeš se popeti do mojeg vrha.
Tu ćeš naći duboku jamu koja se
naziva **krater**."

A detailed illustration of a brown mouse wearing a blue cap and a yellow and blue striped shirt, climbing a steep, light-brown volcanic slope. The mouse is using its front paws to grip a small rock. To the right, a dark brown, rocky cliff face rises, with a thick plume of white smoke billowing from its top. In the bottom right corner, a bright orange-red pool of lava is visible. The sky above is a clear, pale blue.

popeti se do kratera.

“Sada je tako hladan!
Ali mogu zamisliti
opasnu planinu iz koje
izbijaju vruća magma,
pepeo i plinovi”, reče
Mirko Mišić.
